Past Events

Concert and Dessert Reception at PTBE

Yale Strom is one of the world's most productive and influential scholar-artists of klezmer culture and history. Our community members were invited to listen to Strom at Peninsula Temple Beth El as guests of their community.

Thanksgiving Dinners

We were joined by our community members, beloved neighbors, and members of our larger interfaith community, and it was wonderful to come together and celebrate the holiday in South Bay and East Bay.

We are grateful for the support of our community and for the opportunity to spend time with one another. Thank you to everyone who made those events possible.

Tea Talk 2

Participants discussed the mental health benefits of community help during a crisis and how the coordinated use, community identification, and sense of unity helped us to overcome the lockdown period during the COVID-19 pandemic. The next event will be held on the 14th of January at 11 am.

IŞIK KARANLIĞI BOĞARKEN - KIRIK TESTİ 19

Yazar: M. Fethullah Gülen

Muhterem Fethullah Gülen Hocaefendi, uzun yıllardır ortaya koyduğu yazılı ve sözlü eserleriyle hem Müslümanlara yeni bir dirilişin yollarını gösteriyor hem de insanlığın karşı karşıya olduğu problemlere gerçekçi çözümler sunuyor. Onun seksen civarındaki kitabını bir yana bırakacak olursak, sadece bu eseri dikkatle okuyan biri bile hem bütün insanlığın dertleriyle inleyen yüce bir gönülle hem de bu dertlere deva olabilecek oldukça mukni ve makul fikirler üreten cins bir dimağla karşı karşıya olduğunu görecektir.
