MESSAGE FROM FETHULLAH GÜLEN ON THE OCCASION OF THE EARTHQUAKE IN SOUTHEASTERN TURKEY AND NORTHERN SYRIA

I LEARNED WITH DEEP SORROW THAT AN EARTHQUAKE OF MAGNITUDE 7.7 CENTERED IN KAHRAMANMARAŞ SHOOK THE PROVINCES OF HATAY, ADANA, GAZIANTEP, MALATYA, KILIS, ADIYAMAN, DIYARBAKIR, ŞANLIURFA AND OSMANIYE, AS WELL AS SOME PARTS OF OUR NEIGHBOR SYRIA. MANY OF OUR PEOPLE DIED AND THERE ARE ALSO MANY WAITING TO BE RESCUED UNDER THE RUBBLE.

MY CONDOLENCES TO OUR NATION, ESPECIALLY TO THE RELATIVES OF THOSE WHO LOST THEIR LIVES.

DISASTERS AND CALAMITIES REMIND US TO TAKE EVERY PRECAUTION WITHIN THE FRAMEWORK OF CAUSES, TO HELP IN THE SPIRIT OF UNITY, TO EXTEND A HAND TO THE NEEDY, AND TO PRAY TO ALMIGHTY GOD TO OPEN HIS HAND AND PROTECT OUR COUNTRY AND ALL HUMANITY FROM ALL KINDS OF DISASTERS

I BELIEVE THAT OUR NATION WILL PROTECT OUR CITIZENS WHO ARE HOMELESS, DESTITUTE, IN NEED OF ALL KINDS OF HELP, WITH A SPIRIT OF MOBILIZATION. I WISH PATIENCE, STRENGTH AND FORTITUDE TO THE SEARCH AND RESCUE TEAMS THAT RESPONDED TO THE DISASTER.

I WISH MERCY AND FORGIVENESS FROM THE ALMIGHTY TO THOSE WHO LOST THEIR LIVES IN THIS TRAGIC EVENT, PATIENCE AND FORTITUDE TO THOSE WHO LOST THEIR LOVED ONES, A SPEEDY RECOVERY TO OUR INJURED CITIZENS, AND A SAFE RESCUE TO OUR CITIZENS WAITING TO BE RESCUED UNDER THE RUBBLE.

Updating Embrace Relief's Earthquake Relief Efforts in Turkey and Syria

Date Release:
February 17, 2023

Ten days after the Feb. 6 earthquakes in Turkey and Syria, survivors of the disaster are still in urgent need of the support of the international community, including organizations like the **Embrace Relief Foundation**, as they rebuild their lives. The following are the latest updates on Embrace Relief's activities in the earthquake zone:

- Since our previous update on Feb. 13, Embrace Relief's sixth truck of emergency aid has reached the affected area and distributed ready-to-eat meals for people in need. Five of these six trucks have provided food, while the other provided basic essentials including toiletries, paper towels and diapers. Emergency aid shipments will continue for as long as they are needed. In addition to these trucks, Embrace Relief has also distributed food packages and electric heaters to families.

- Over the next several days, Embrace Relief will begin to provide essential supplies including clothes, shoes, milk, diapers, and feminine hygiene products to the people of Syria. Embrace Relief is working diligently with our partner organizations in Syria to reduce the immense suffering of the people there.

- To date, Embrace Relief's earthquake relief has directly benefited thousands of people thus far in the stricken cities of Hatay, Malatya, Gaziantep and Adiyaman. In the medium- and long-term, this number will increase greatly as Embrace Relief begins to fund emergency housing assistance, including covering costs of rent and furniture, for people displaced from their homes.

Once again, Embrace Relief would like to thank the many individuals and organizations who have given their time and money to the people of Turkey and Syria in their time of need. Embrace Relief has raised more than \$1 million of our \$1.5 million fundraising goal, with many other individuals and community groups holding group fundraisers that will add to this total. Our relief efforts are only possible because of the generosity of people like you. Together, we will help people recover and rebuild after this tragedy.

Retreat in Westwood

Our members from San Francisco, East Bay and Marin County organized a winter retreat in Westwood California. Our group spent three wonderful days engaging in spiritual discussions, reading books, and having fun with their families.

One of our members shared that "The retreat was a perfect opportunity to unwind and connect with our inner selves. We discussed various spiritual topics, including mindfulness, self-care, and gratitude. Our conversations helped us gain a better understanding of our values and how we can live our lives with intention and purpose."

During the retreat, they also had the chance to read books that inspired and motivated them. In addition to the spiritual discussions, they also had plenty of fun with their families. They enjoyed outdoor activities such as hiking and skiing.

We heard that, overall, the winter retreat was a truly unforgettable experience. It brought them closer as a group and helped them connect with their families in a meaningful way. They returned home feeling refreshed, inspired, and ready to tackle the challenges that lay ahead
