Fun Fact:

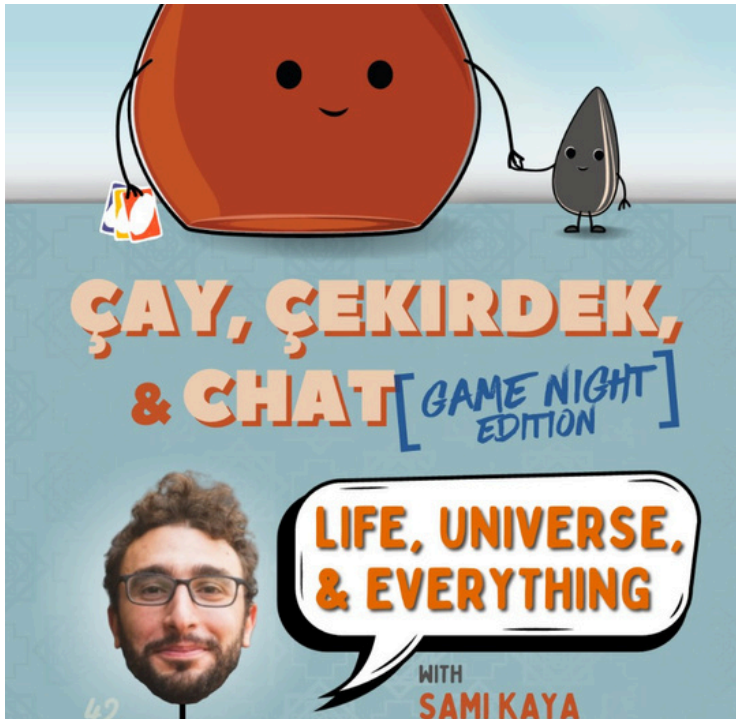

A San Francisco fun fact that might surprise you, is the fact that the famous Central Park in New York City is smaller than San Francisco's glorious Golden Gate Park by 20%! Central Park in New York covers 778 acres, while Golden Gate Park is 1017 acres.

Çay, Çekirdek & Chat: Life, The Universe and Everything

Making its return with a pot of tea, baby carrots, and a lot of sunflower seeds, the Çay Çekirdek & Chat- Game Night Edition was the second edition of the bi-weekly group discussion event held by the RISE youth group. The event, held on Saturday evening at the Mindrome Coworking Space main hall, attracted over 15 guests and featured a stimulating discussion of Life, The Universe, and Everything, as well as a lot of trolley problems. The event saw a jarring venture into the workings of space, time, and gravity (with speaker Sami Kaya) that transitioned into an entertaining Game Night, the staple event of RISE that features board games and noise levels above the recommended minimum. We thank our dear participants for being a part of the experience and encourage our audience to be on the lookout for the next round of good tea and good talk.

Compassion Week: Interfaith Voluntary Projects

Compassion Week aims to build a strong, compassionate, and empathetic community by bringing people of all ages and abilities together for a week in October. Participants expand their understanding of local and global needs through volunteer opportunities. Multiple local faith communities operate in partnership during Compassion Week.

As a partner in Compassion week, we lead family friendly activities to prepare hygiene kits, fleece blankets, prayer rugs and letter writing to refugees.

On Oct 7 Saturday, we hosted an assembly of hygiene kits at our place. The volunteers prepared 300 hygiene kits for Building Peaceful Families which helps women who are re-entering the community after being incarcerated. Giving them a fresh start makes a difference in the lives of women who are being released from Elmwood County Jail and have no resources available.

Compassion Week: Interfaith Voluntary Projects

On Oct 12 Thursday, we hosted two events in which Compassion week volunteers prepared prayer rugs for CIC Muslim Ministries to provide a 6-month supply of prayer rugs for 100 Muslim inmates. Second event was about letter writing to refugee students who were forced to leave their home country and try to start a new life.

On Oct 14 Saturday, we hosted an event in which Compassion week volunteers prepared fleece blankets to support Bill Wilson Center, Pathways Hospice, The Linus Project and YWCA victims of domestic violence & sexual assault.

On Oct 25, Sunday, organizers hosted a closing session for the long week projects. Faith leaders present, delivered peace messages and emphasized importance of working together for common good.

As a BayCC/Pacifica Community, we also contributed to the book drive for the African Library Project. We collected the children's books from our community throughout September. We helped with sewing small zipper pouches for California-Nevada Conference Disaster Response to distribute power banks in them to the disaster victims and hand-made drawstring bags for Days for Girl.

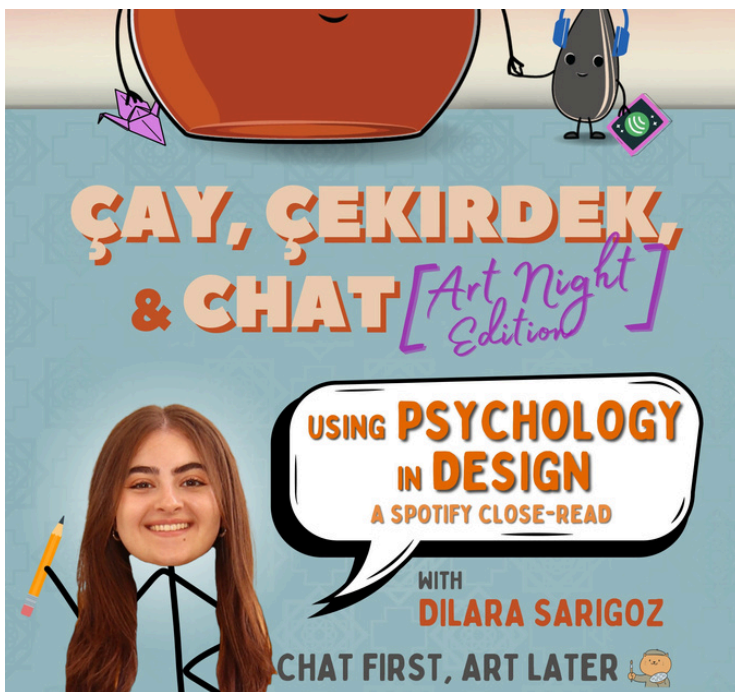

Çay, Çekirdek & Chat: Using Psychology in Design

How do designers use psychology to make interfaces more suitable for users? How does the mind work when perceiving content? How are Spotify designers killing it right now? This is exactly what we answered on the third-ever Çay, Çekirdek & Chat- Art Edition held by RISE, featuring Dilara Sarigoz as the lead speaker in venturing through shapes, lines, and a splash of color.

With mental exercises for memory, assigning names to shapes, and making origami that is perhaps a little too big, the night saw an entertaining discussion of modern design that was followed by a group art session with a lot of paper and a lot of folds. Accommodating over a dozen guests and a round of Krispy Kreme with tea brewed just right, the event was yet another success for the itinerary of the bi-weekly Çay, Çekirdek & Chat. What are we up to next? Stay tuned to find out.

The two days Women Retreat event was a dynamic and impactful gathering that successfully addressed the complexities of empowering women in diverse cultural contexts. The combination of Laila Muhammad's inspiring keynote, the vibrant Islamic art exhibition, and expert speeches created an atmosphere conducive to learning, networking, and collaboration. We look forward to building on this success in future initiatives aimed at advancing women's empowerment worldwide.

The International Festival of Language & Culture

BAYCC'nin de sponsorlugunda bulunudugu, 21. yilini kutlayan IFLC, bu yil "En Güzeli Öykü" ismiyle Hz. Yusuf (as) in hikayesini büyük bir tarihsel arka plan eşliğinde, dünyanın 12 farklı ülkesinden 74 katılımcının güncel dans ve yorumlarla süslediği anlatımını, müzikale özel bestelenmiş şarkılar, yazılmış şiirleriyle görsel ve işitsel estetiği zirveye taşıdı.

Doğu ve Batı klasik eserlerinden yararlanılarak yazılan öykü, bilinen en eski hikayeler ile günümüz olaylarını birleştiren bir anlatıma sahipti. Kıskançlık ve hasedin insanı nasıl zalimleştirebildiğini gösteren müzikal, görkemli bir finalle dünya tarihini özetledi.

Programa Fethullah Gulen Hocaefendi'nin yanısıra California Federal milletvekilleri Ted Lieu, Eric Swalvell ve Brad Sherman kutlama mesajı gönderdiler. Mesajlarda dünyanın değişik yerlerinden gelen gençlerin sanatın evrensel dili ile insanları bir araya getirmesinin öneminden bahsettiler. Ayrıca dünya genelindeki dillerin ve kültürlerin zenginliğini kutlama konusundaki özveri ve kararlılığı için Amerikan toplumunun IFLC'ye büyük bir minnet borçlu olduğunu ifade ettiler.

Weekend school tarafından Afrika'da su kuyusu kampanyası

Sevgili Dostlar, Büyük bir mutluluk ile duyuruyoruz ki, BAYCC(Bay Area Cultural Connection) bünyesinde 9 Eylül'de başlayan ve Cumartesi gunleri 109 öğrenciye hizmet veren hafta sonu okulumuz, Embrace relief işbirliğiyle Afrika'da iki yeni su kuyusunu hizmete açmak için değerli velilerimizin destekleriyle Ekim ve Kasım ayında iki kermes düzenledi ve \$4263 lik kaynak sağlandı. Bu önemli adım, sizin destekleriniz ve bağışlarınız sayesinde mümkün oldu. Her bir katkınız, bir umut ışığı oldu ve şimdi binlerce insan temiz içme suyuna erişim sağlayabilecek. Bu su kuyuları, Afrika'nın susuz kalmış bölgelerindeki ailelere, çocuklara ve topluluklara büyük bir kolaylık sağlayacak. Temiz suya erişim, sağlıklı bir yaşam sürmek için temel bir ihtiyaçtır ve bu projenin başarılı bir şekilde tamamlanması, birçok insanın hayatını olumlu yönde etkileyecek. Sizlere, bu projeye gösterdiğiniz ilgi ve destek için derin teşekkürlerimizi iletiyoruz. Her bir bağış, her bir paylaşım, gerçekleştirdiğimiz bu projenin başarısında kritik bir rol oynadı. Sizlerle birlikte daha nice su kuyularını açma ve daha fazla insana yardım etme umuduyla yola devam ediyoruz. Bu güzel haberi sizinle paylaşmanın mutluluğunu yaşıyor, destekleriniz için tekrar teşekkür ediyoruz.

Thanksgiving Dinner at PTBE

"12 Months by the Bay: A Pacifica-PTBE Journey Together", traveling is a wonderful way to share new experiences and discover new perspectives together. For people across traditions, travel presents a unique setting to learn about each other's culture and build trust. A new program with this in mind to bring cultures and people together kicked off with a Thanksgiving dinner on the 4th of November 2023 at the PTBE. This program is jointly envisioned and planned by the Pacifica Institute and Peninsula Temple Beth El's Interfaith Friendship Committee and aims to establish friendship bonds by spending time together at activities that are spread throughout the year.

More than 40 people eager to make new friends attended the dinner. A menu from Turkish cuisine was served, followed by Turkish Tea and Rugelach. Project coordinators shared their vision about the project and attendees expressed their enthusiasm about new opportunities, looking beyond stereotypes, making deeper and stronger trust a reality. The program will start by a visit to Oakland Museum of California in January and continue with mutual dinner visits during Ramadan and Passover. The rest will be shaped by the participants and will include trips to local treasures, attending cultural events or sharing stories around campfire.
